Life Together

Lindsborg Covenant Church

Message from Pastor Darrell

Have you ever wondered why Jesus was baptized? Mark 1:4 says,

And so John the Baptist appeared in the wilderness, preaching a baptism of repentance for the forgiveness of sins.

John was trying to get people ready for Jesus and His Kingdom. But before they could put their faith in Jesus and follow Him, they first had to repent. Repentance involves four things:

1. Conviction - a true perception of our sin
2. Confession - telling God the truth about our sin
3. Commitment - a decision to change
4. Consequences - an actual change in our behavior

Only after repenting are we ready to follow Jesus.

But Jesus didn't need to follow Jesus, and He certainly didn't need to repent. He has never sinned! (2 Cor 5:21; Heb 4:15) Of what could He possibly repent? So why would Jesus join a bunch of sinners in the water proclaiming that He was repenting of sin? Is it any wonder John the Baptist was confused?

Matthew 3:13-14: *Then Jesus came from Galilee to the Jordan to be baptized by John.*

But John tried to deter him, saying, "I need to be baptized by you, and do you come to me?"

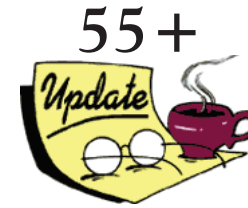

Jesus' only response to John was, "Let it be so now; it is proper for us to do this to fulfill all righteousness." (Matt 3:15)

For a long time that really confused me. What did Jesus mean by "fulfill all righteousness?" How does a sinless person repenting of sin fulfill all righteousness?

I finally received help on this from Scot McKnight. In the 25th chapter of his book, *The Jesus Creed*, he explains that in His baptism Jesus was repenting for us. We need someone to repent for us because in our sinful state our repentance is inadequate. Consider the four steps of repentance above. In our sinful state we are never fully *convicted* of our sin, we do not adequately *confess* our sin, and our *commitment* to change and the *fruit* of our repentance is often weak at best. We need someone to repent for us.

Enter Jesus. He is our substitute. At the cross He took the *punishment* for our sin. In the Jordan He *repented* of our sin. So, in our baptism we participate with Him in His. We do it imperfectly, but that is OK, because He did it perfectly. By

participating with Him in His baptism we receive Him in the fullness of His baptism - the perfection of His conviction and confession and the fullness of His repentance and fruit. In short, we need Jesus because we cannot even repent right.

We still need to confess, but Jesus makes our true confession a *full* confession. And we still need to repent, but Jesus makes our genuine repentance a *full* repentance. And we still need to be baptized, but Jesus makes our sincere baptism an effective and fruitful baptism. Jesus does these things for us and then we do these things *in Him*.

So, have you been baptized? We are doing a baptismal service on Sunday evening, August 6th. It is not too late to join us. If you sense the Spirit prompting you to be baptized, please talk to one of the pastors right away.

For Women Only
Focus on Faith This Fall

Two great opportunities await women, high school graduates & older, so make plans to attend one or both! Covenant Women Ministries Retreat and Women's Encounter are two separate, unique events where women can share some time devoted to Jesus. Take some time away from usual daily responsibilities and distractions and refresh your life with God. Want to know more about these two weekends for women? Contact Suzanna Swenson or Micki Swenson. They have been to both Retreat and Encounter...and highly recommend both!

Hospitality Ministry and Food

Hospitality and food go together. I've seen our church family give the gift of meals in recent days.

Meals for new moms, for those who are ill and for funerals. You have shown love by giving food in Jesus' name. Many times when we don't know the 'right thing' to say, food says 'I care'.

I am very thankful for everyone who shows love in this way.

We are blessed!

In keeping with the mission statement and the changing demographic of those attending, the CE Board has decided to go with Group's *Dig In* curriculum. There will be some minor changes in His Kids format.

From Julie McLaughlin

I really enjoy pioneering and being Ship Manager on board the YWAM Liberty is right up my alley. My job is different every day. One minute I'm talking to Marine professionals, another talk with a group of young PNG volunteers working cross culturally, next conversation is about cleaning or food preparation, on to medical outreaches and instruments needed for dentistry. I've got Skype meetings about dry docks and another one about crew and volunteers. Then onto discussions about how to get Bibles out and work with the Churches.

I often find a steady stream of people with questions or people needing things. It doesn't stop. What I love most is seeing people's lives transformed. I'm not just talking about someone who receives lifesaving medical Treatment. That's pretty fun. It I also love the look of a volunteer whose world has just been rocked by their outreach experience. I love a deckhand who comes back to the Lord. I love a young PNG national who discovers a hidden talent.

We'll be heading out to some islands in West New Britain soon. We've just finished our first dental outreach on the Liberty. Now we'll test out our operations in a remote location.

From Renée Hale, Paul Carlson Partnership

It is with joy that I bring you the news of the May 2017 PCP Team trip to the Democratic Republic of Congo! Thank you for your undergirding prayer support as we traveled and worked with our Congolese partners. We traveled to Gemena, Karawa, and Bogose-Nubea to visit hospitals, clinics, projects, and meet with people along the way. We also enjoyed fellowship and meals with Congolese leaders and their families.

Pray for Missions

Experiencing the blessing of "being the body of Christ" (see Ephesians 4:11-13) with our Congolese brothers and sisters inspired us to persevere in the work that PCP's mission advances through the generous giving of our donors. Many thanks to you! We saw with our own eyes the importance of clean water for hospitals, clinics and communities. We were able to visit two hospitals and several clinics, see several PCP bridges, as well as one of the newly capped clean water sources (spring). The beauty of clean, flowing water seemed magnified in that setting—starkly contrasted to the unclean sources we encountered.

The PCP team and our Congolese partners shared God's blessings of encouragement, cultural insight, spiritual growth, team bonding, and productive work together towards a positive future for ministry through our partnership. Again, thank you for responding to God's leading as you support PCP!
