Life Together

Lindsborg Covenant Church

Message from Pastor Jeff Re-gifting?

There is a phenomenon around Christmas called “re-gifting” where you take a gift that you have been given, and you give it to someone else. Re-gifting is so common that in this country there is a “National Re-gifting Day,” the third Thursday in December (December 21, this year).

Well this December, we are going to re-gift you! The big twist is that you are going to get back the very gift that you tried to give away! For many years you have given the gift of money (tens of thousands of dollars) so that the Gospel could be proclaimed in Ecuador. This December you are going to receive the gift of a report from Cheryll Clark about how the Good News is being shared in Ecuador through your years of faithful giving.

Since 1986 Cheryll Clark has served as a missionary in Ecuador. Cheryll is one of the five missionaries

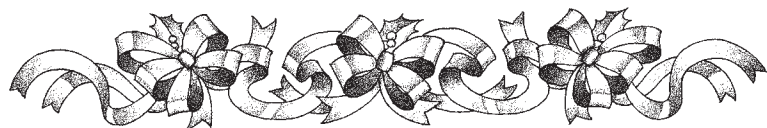

that our church supports financially (the others are: Paul Noren, Barbara & Steve Swanson and Dale Lusk). We support Cheryll Clark and the others, not only with our general fund giving to the denomination, but also with the money that is collected every week for the Sunday school offering.

Cheryll Clark will be in Lindsborg to share with us on Monday, December 11th. We are going to provide a soup and pie meal at 6:00 p.m. and then Cheryll will share the good news about how the Good News is being shared in Ecuador. Please put this date on your calendar and come

and meet Cheryll and hear how YOUR work in the Kingdom of God is going.

And I guarantee you that this is one re-gift that you will be glad to get!

Julotta

Christmas Morning, 6:00 a.m.

*A thrill of hope the weary world rejoices,
For yonder breaks a new and glorious morn.*

What better way to greet this blessed morn than gathering with God's people to worship? Entering the church in darkness and leaving in light is symbolic of Jesus' penetrating the darkness of our world being the Light of the world. "And the light shineth in darkness; and the darkness comprehended it not." (John 1:5)

This Swedish tradition of Julotta will be observed this year at 6:00 a.m. in the Sanctuary. A beautiful, festive

Poinsettias In Memory / Honor

Each year a number of people in the church choose to honor a loved one by providing a poinsettia plant that can be used to beautify the worship services during this festive season. If you would like to be a part of this, please read on.

Plants may be brought to the north kitchen. You are asked to mark your plant and also to sign the sheet indicating the person(s) you are honoring. The sign-up sheet, masking tape and pen will be on location, as well as instructions.

Please have your plants to the north kitchen by Thursday noon, December 22. They may be picked up after the Christmas Day service.

If you have questions, call the church office during the day or Cathy Ahlstedt after 6:00 p.m. at 227-3516.

Birthright Tree

As the Christmas season approaches, it is again time to remember the ministry of Birthright of Salina.

Birthright of Salina not only offers emergency pregnancy counseling for women of all ages, but also offers free maternity, baby and children's clothing, food, and financial assistance to those facing an unplanned pregnancy. During this holiday season we will have opportunity to help in this area ministry.

There will be a tree of ornamental tags outside of the church office. You may take one or more of the tags of your choice, purchase the item (new or used). No need to wrap. The gift and tag are returned to the tree. Items needed not only include clothing and baby supplies, but also office supplies and time volunteered. There is a gift tag in everyone's price range or skill! Get one soon! Questions? Call Reva Esh (227-2848).

Gideon Card Bible Program

Send a Card, Send the Word

We would like you to consider the opportunity to further God's kingdom by sending Gideon cards. When a card is sent, a Bible is printed and distributed throughout the world. Locally, you can find these Bibles in your hospital, nursing home, medical facilities, motels and are available to area students. A Gideon Card Rack is located on the Information and are free for anyone to use. A variety of cards are also available on-line, including Christmas cards. For further convenience, these cards can also be sent by email. We invite you to look at gideons.org/sendtheword to look over the nice selection.

Ministry to College Students

Invite college students that you know to *The Station*. There's always good food and a great message!

Dates for 2018:

Sunday, January 14

Sunday, February 11

Sunday, March 11

The Station meets at 6:00 p.m. in the Multi-Purpose Room.

At our Hope Sunday on November 12, our congregation sponsored 30 new Congo kids. Our church sponsors a total of 78 children. This does not include the 15 kids that will be sponsored with a matching grant in which the donor will sponsor one child for every 2 that our church sponsors.

The Impact of Sponsorship

- **WATER:** Clean water springs from new wells. Families fill jugs with clean water that won't make their children sick. 28,000+ people now have access to clean water, thanks to two new wells and capped springs. Some who had to walk nearly four miles roundtrip can now reach clean water within yards. When combined with sanitation and hygiene training, clean water has the potential to save lives; it can cut child mortality rates in half. Over 16,000 kids and teachers have been trained on sanitation and hygiene practices.
- **EDUCATION:** Children are going to school, where they study and pursue their dreams. Three new schools have been built in the city of Gemena, vastly improving education for approximately 4,000 students. About 370 teachers and administrators have been trained on school management, vocational training curriculum, and new French and math curriculum.
- **AGRICULTURE:** Parents are learning to grow and prepare the most nutritious food. Their children are growing up healthy and strong, instead of malnourished. Mothers are attending trainings through women's agricultural groups, which have impacted 1,050 households, including 2,350 sponsored children. About 2,273 farmers have been trained on growing nutritious crops. Fish farms provide valuable protein for children.
- **HEALTH:** Malnourished children are recovering and mothers are receiving better healthcare. 2,137 malnourished children have been supported with crisis care and food in nutrition centers, while about 900 orphans and vulnerable children have received healthcare. Meanwhile, 131,815 children have received important immunizations. Two maternal health clinics have been completed, providing much better care for mothers and infants.
- **ECONOMIC DEVELOPMENT:** Parents are creating new economic opportunities. They are starting businesses, selling goods in the market, and saving funds for the future. Women's savings groups based in the local church work together to increase their savings and better provide for their families' futures.
- **ADVOCACY:** Children are receiving better protection. Small but significant steps are being made to strengthen the culture of care for women and children. Local child protection committees have formed at churches. About 4,300 schoolchildren have been educated in the prevention of early marriage, 160 public officials have been trained on child protection, and 100 children have been trained in child rights.
